ANTI-BULLYING PLEDGE

We at Loganlea State High School believe that everybody should enjoy our school equally and feel safe, secure and accepted regardless of colour, race, gender, popularity, athletic ability, intelligence, religion and nationality.

Harassment and bullying is unacceptable in our community.

Bullying can be pushing, shoving, hitting and spitting, as well as name calling, picking on, making fun of, laughing at and excluding someone. Bullying causes pain and stress to victims and is never justified or excusable as “kids being kids”, “just teasing” or “mucking around”. The victim is never responsible for being a target of bullying.

By signing this pledge, we the students agree to:

1. Value student differences and treat others with respect.
2. Not become involved in bullying incidents or be a bully.
3. Be aware of the school's policies and support system with regard to bullying.
4. Report honestly and immediately all incidents of bullying to a faculty member.
5. Be alert in places around the school where there is less adult supervision such as bathrooms, corridors, and stairwells.
6. Support students who have been or are subjected to bullying.
7. Talk to teachers and parents about concerns and issues regarding bullying.
8. Work with other students and faculty, to help the school deal with bullying effectively.
9. Encourage teachers to discuss bullying issues in the classroom.
10. Provide a good role model for younger students and support them if bullying occurs.
11. Participate fully and contribute to assemblies dealing with bullying.

I acknowledge that whether I am being a bully or see someone being bullied, if I don't report or stop the bullying, I am just as guilty.

BYODx Equity Device Application Form

Dear Parents / Caregivers

At Loganlea State High School, we are committed to incorporating digital technology into the classroom to support and enhance learning experiences. We recognise that the BYODx program raises a financial cost on students and their families in supplying a device. At the same time, the program can only function if all students have access to appropriate technological resources in all of their classes. Loganlea State High School takes the role of public education seriously in ensuring all students have access to the same learning outcomes. The purpose of the BYODx Equity Policy is to establish the framework for the BYODx program to provide this for all students, irrespective of their families' financial circumstances.

Please select your preference from the following options:

- ☐ I will provide my own device for my child
- ☐ I do not have the resources to supply a device for my child at this time and would like to apply for a device through the BYODx equity program. I have read the responsibilities listed on the following page and I have read and agree to the indemnity information.

Approval for access to a school device is at the discretion of the Principal or delegate.

Where a loan laptop is damaged due to negligence or not returned, the parent/caregiver will be contacted and issued an invoice to pay the repair or replacement cost.

This arrangement allows student from families in financial hardship to access a laptop until circumstances improve and a personal laptop is purchased. Please complete the form on page 2 and return to the school office. Once a decision has been made, you will be notified of the outcome.
