

The development and implementation of an Extension Program at Loganlea State High School is in alignment with our school philosophy of *making a difference for every student*.

**The implementation of the Signature Extension Education Program will be staggered over a three year period to ensure strong foundations are set for a successful program targeting:**

- Academic excellence
- Specialisation across all key curriculum areas
- A pathway for all students

**The school priorities in developing a Signature Extension Education Program are to:**

- Recognise our future ‘champions’ and leaders in all arenas and maximise their full potential.
- Focus significant support and resources to these students.

**This program’s success will be based on the following key strategies:**

- Strengthening the Junior-Secondary core curriculum through pedagogy to maximise student engagement.
- The development of a framework to identify extension students.
- Refining of targeted Higher Order Thinking Skills.
- The development of intervention strategies and tools for disengaged students.
- Access to accelerated learning opportunities and programs.
- The embracing of the ‘One Caring Adult’ philosophy to support students’ socio-emotional wellbeing.

**Protocols for Identifying Gifted and Talented Students:**

## **SIGNATURE EXTENSION EDUCATION PROGRAM**

### **RATIONALE AND IDENTIFICATION PROTOCOLS**

---

Success of the Signature Extension Education Program at Loganlea State High School will be evident in student engagement and achievement outcomes. Reporting, diagnostic and observational data will be used as school based tools to ascertain the initial success of the program on an individual student basis. Additionally, student engagement in co-curricular and extra-curricular projects and activities will reinforce the success of the program in meeting individual student needs.

A successful and effective Signature Extension Education Program at Loganlea State High School will result in students engaging with the curriculum at the appropriate year level juncture, accessing opportunities for extension and reaching their full potential in their areas of strength. The Signature Extension Program will nurture students academically and socio-emotionally to ensure every student accesses the opportunity to develop and grow into a well-informed and prepared citizen contributing to the wider community.
