Consent to administer medication

PLEASE NOTE:

For medication to be administered at school or during school-related activities, there must be medical authorisation for the student to have that medication, and the medication must be in its original container with intact packaging.

Examples of medical authorisation include:

- a pharmacy label with both the student's and doctor's name on it;
- a signed letter from a doctor;
- a medication order from a dentist;
- an Action Plan signed by a doctor or nurse practitioner.

See below for examples of health conditions, medications and associated documentation:
